POLO ACADEMICS  
LEARNING CENTER

## Program Overview

Not every tennis player/student will have a career goal. However, for the ones that want to reach a high level, the development of a step by step career plan on an early stages is crucial for an optimal development of the player. In order to achieve that goal, Polo Tennis Club has developed **PALC**

Polo Academics Learning Center a program with all the tools available to reach the players' objectives.
